Action for **CROWBOROUGH AND WIDER WEALDEN**

HEALTHCARE

Barry manages a district-wide patient transport scheme, run by volunteers, to take patients to appointments. Since he started the scheme four years ago, covering four surgeries, it has expanded to include nearly 20 surgeries across the district, including all the surgeries in Crowborough, and has helped 1,400 patients. www.access2healthcare.org

RAIL SERVICE

Barry is Vice Chairman of the Sussex Community Rail Partnership (Uckfield Line), which supports the ongoing campaign by our MP, Nus Ghani, to persuade Southern Railway to improve the service on the Crowborough line. We have longer trains, offering more seats, but more still needs to be done.

YOUR BUS MATTERS

Barry strongly supports greater use of public transport, especially buses. With MP Nus Ghani, he recently hosted an Open Day for passengers, to promote bus services across Wealden. He actively supports the proposal to increase the frequency of the 228/229 bus through Jarvis Brook.
