

**Ridgewood traffic**  
Traffic and road safety concerns in Eastbourne Road have been an issue for many years. Chris supported the Community Speed Watch group that was set up around three years ago. After some success for the group, with their roadside work to help keep motorists inside the speed limit, unfortunately the group folded. Working collaboratively with Uckfield Town Council, Chris is supporting the formation of a new group to work in Ridgewood, primarily in Blackboys Parish and Blackboys Parish Council to achieve a good result for Pump Lane residents.

**Framfield and Blackboys – Pump Lane**  
Chris was pleased to work collaboratively with the group to carry out repair and re-surfacing, the work was East Sussex County Council for the deterioration. After pressing damaged edges leading to residents – potholes and surface in Pump Lane had been a concern for local residents to help keep motorists inside the speed limit, unfortunately the group folded. Working collaboratively with Uckfield Town Council, Chris is supporting the formation of a new group to work in Ridgewood, primarily in Blackboys Parish and Blackboys Parish Council to achieve a good result for Pump Lane residents.

**Little Horsted**  
Chris regularly attends meetings of Little Horsted Parish. He has supported residents on a range of local matters, including planning, access to the SANGS in Horsted Pond Lane and speed and traffic issues on the A26.

**Cross-in-Hand**  
Chris has dealt with many issues for Cross-in-Hand residents. These include resolving drainage problems and highway flooding in Back Lane, and highway issues in Little London Road. He is delighted that East Sussex County Council has carried out major local road repair and re-surfacing for the benefit of residents in the Heathfield area.

**Dear Resident**  
I have been pleased to represent you on East Sussex County Council for the past four years, helping residents with issues that are of concern to them. I have lived in Uckfield for over 32 years and I run and own an Uckfield-based business. I am an active member of Uckfield Chamber of Commerce and a member of the Executive Committee.  
If re-elected I will continue to...  
• be your voice on East Sussex County Council; support the vulnerable, especially the elderly;  
• support residents on issues that affect their neighbourhood, such as planning and road safety; ensure the necessary infrastructure for the local area.  
Yours sincerely,  
**Chris Dowling**  
Conservative Candidate for Uckfield South with Framfield Division, East Sussex County Council Elections

**On Thursday 6th May please VOTE CONSERVATIVE**

**VALUE FOR MONEY**  
Conservative councils deliver value for money and provide high-quality services.  
In these challenging times, Conservatives are maintaining services while keeping tax increases as low as possible.
