NICK BENNETT

The Local Choice for the
Arlington, East Hoathly & Hellingly Division

 **Vote Conservative**

Nick Bennett will be your Conservative Candidate in East Sussex County Council elections on the 4th May.

'It has been a real privilege and a pleasure to have served two terms as a County Councillor, much of that time as lead councillor for schools.'

■ I am very proud of the achievements we have made in the last four years.

COUNCIL TAX: In the last four years we have kept council tax as low as possible whilst still delivering front-line services for residents.

EMPLOYMENT: Since 2013 we have reduced unemployment by 58%. At the same time average income per household has grown ten times as fast as the rest of the country.

We are working with businesses to create more than 3500 apprenticeships each year. Apprenticeships are offered by our training providers that support all sectors: engineering, construction, health and social care, digital and ICT, land management, and the growing visitor economy.

ROADS: We have invested £85 million in the maintenance and rebuilding of our roads and have repaired 200,000 potholes and resurfaced over 500km of the County's roads.

RECYCLING: We now recycle 41 per cent of all the waste in the County and saw off the threat of taking London's waste with its associated land raise plans.

EDUCATION: Praised by Ofsted and the Quality Care Commission - we have delivered the best results ever, including superb early years' provision for 2 - 5 year olds and children with special educational needs and disabilities.

ROAD SAFETY: We have invested £1.25 million on programmes to improve road safety.

Let's keep the good work going!

FROM OUR MPs

Maria Caulfield MP, Lewes:

'Nick and I have worked closely together particularly on local school issues. Nick is passionate about educational improvement and remains a hard-working, professional local councillor who always has time for local issues.'

Nus Ghani MP, Wealden:

'Our County deserves strong representatives, and I've seen clearly that Nick Bennett delivers just that. As cabinet member for education he has been a sterling campaigner for more opportunities for young people, and has also led strong representation on road safety and the development of sustainable businesses and communities. He has a proud record of delivering results and standing up for local people.'

Enjoying a moment with one of the older residents of Vert Wood in Laughton

'I am delighted to have been invited to be a volunteer Councillor Tree Champion by a national charity'. Our ancient and developing woods are both an asset to the rural economy and a wonderful feature of our varied, beautiful landscape.

There is always more to do, if you vote Conservative we will:

Continue to find the most effective support for those most in need

Improve career promotion programme in schools, colleges and universities

Invest in infrastructure but protecting our precious landscape

Invest in rural areas as well as towns

Build the best possible health and social care services

Encourage firm, intelligence-led policing to ensure every citizen is safe

That's why we ask you to vote for me and my Conservative colleagues on the 4th May.
