

## Wealden Constituency Conservative Association Wadhurst Branch

### **Conservative Party Forum (CPF) Skills & Training for a 21<sup>st</sup> Century Workforce**

A CPF meeting was held at the Greyhound Inn in Wadhurst on 20th February 2018. The meeting was preceded by a dinner provided by the pub. 12 members attended mainly from the Wadhurst and Mayfield branches and Richard Nabavi kindly chaired the discussion.

A summary of the issues the CPF Team wanted discussed on this subject was provided concluding with 6 questions to be answered. A lively discussion took place among those attending who included a retired doctor, a lady with district nursing experience, retired members of the teaching profession and others with business backgrounds and some are local councillors.

Lengthy responses to the questions were submitted and it is to be hoped that these will be taken into account by the CPF Team and those in CCHQ who advise ministers on policy.

We would like to see more participation in CPF Group Discussions as they are members' opportunity to discuss and hopefully influence future Conservative policies.

Christopher Wynne  
Wadhurst Branch.
