

CPF DIARY

CONSERVATIVE POLICY FORUM
Organised by the Mayfield and Wadhurst & Frant Branches

We are one of 250 active CPF groups in Britain giving our members the opportunity to come together and discuss policy issues on nine briefs a year which are reported to Conservative Central Office.

CPF is a fantastic way for members of the party to have their voices heard at the highest levels of Government on some of the most important issues facing our country. It also affords members a unique opportunity to contribute towards the writing of the next Conservative Party Manifesto.

We meet alternately at The Middle House in Mayfield and The Greyhound in Wadhurst on the first Tuesday of the month, topics in accordance with the schedule below.

A full briefing of each topic and questions posed by CPF can be received by registering at www.conservativepolicyforum.com. It is very helpful if people read this in advance. Conservative Central Office also invites members to suggest future topics.

The meetings start at 8.00 p.m. but for those wanting dinner we get together at 6.30 for 7.00 p.m. for bar meals and good informal chatter.

These are free meetings but we do suggest a donation of £5.
